COPY

Dear Sirs,

Taiwanese Patent Application No.82110727
"Process and apparatus for impregnation and expansion of tobacco" - Philip Morris Products Inc.
Your ref: FP 6834 - Our file: 34936

Thank you for your fax of 31st January. It is our understanding that the application was filed on 17th December and we assume that you are now completing the translation.

Thank you for pointing out the mistakes in the appendancies. We suggest that the following claims should all be made appendant to claim 1 or claim 2

6, 7, 13, 15 to 24, 27, 28 and 33

Claim 9 we believe must be appendant to claim 7 only because claim 7 is multiply appendant. Similarly claims 30 and 31 should be appendant to claim 28 only.

Please note in claim 31, line 4, a typographical error "fitting" should read "filling".

Yours faithfully,

FAX TRANSMISSION
No. of Sheets.....1.....
☐ Please Acknowledge

P.A.Smith
